

## Workplace Spanish – easy & effective

### Workplace Spanish

you don't have to be fluent to communicate

*Learn it today-use it right away!*

- No grammar to learn!
- No verbs to conjugate!
- No alphabet to memorize!
- Learn terms & phrases that you'll use on your job everyday
- Learn the new way — using repetition and role-play!

This training produces results:

- Better teamwork, communication and productivity
- Fewer accidents, mistakes, quality problems
- Better service to Hispanic/Latino customers, citizens, patients
- Less employee, manager, customer frustration

*Workplace Spanish® programs have helped more than 50,000 adults cut through the language barrier at their workplace. You can improve your communication skills and reap the benefits of better teamwork, productivity & service.*
